

CENTER FOR MACHINING EXCELLENCE

RACE OVER TO INDY DAYS 2026

Hosted at the REGO-FIX Center for Machining Excellence

There's no better time to visit Indy than during the month of May. Join the winner circle of motorsports manufacturing at Indy Days 2026, our two-day educational event held at the REGO-FIX Center for Machining Excellence (CME). Just 30 minutes away from the roaring engines of the Indianapolis Motor Speedway, the CME is a state-of-the-art manufacturing education and innovation facility where experts provide innovative solutions to the industry's toughest tooling challenges.

Event Lineup

- ▲ State-of-the-art technology exhibits
- ▲ Machine demonstrations including 3-axis, 5-axis & Swiss machines
- ▲ Presentations from industry leaders and experts on machining technology
- ▲ Food, drink & more

Schedule for May 13 and May 14
